

Statement from Natasha Worrall of BSR On 21 July 2026 regarding deliveries to
the Solar Park in Bakers Rd, Belchamp St Paul

“I have spoken with our construction team and confirm that over the next three weeks, w/c 27th July, w/c 3rd August and w/c 10th August there will be four HGV deliveries a day (Monday – Thursday) for the next three weeks on to site. These are solar panels.

In the next 6 weeks the grid transformer will be delivered which is a very large load and will be escorted into site. We are awaiting this piece of equipment to be shipped to the UK so as soon as I have a firmer date on this, I will provide an update.”

Many thanks,

Natasha
